Traffic Alert Starting January 9, 2023 – January 2024 *Moultrie Ave Drainage Improvements*

Hopewell, Virginia ----- Moultrie Ave Drainage Project Traffic Alert

Starting on January 9, 2023 through January 2024 drainage improvements will take place along Moultrie Ave. The construction will incorporate Moultrie Ave. between Bluefield St. and Jackson St.

Over the next year expect road closures and detours in this vicinity. Standard VDOT Traffic Controls will be in place.

Perkinson Construction Company is performing the installation, under the direction of the City of Hopewell Engineering Department.

Any questions or concerns may be directed to Maurice Wilkins, Interim-City Engineer (804)-541-2374 or Tim Bell, Construction Inspector (804)-541-2231.

Note: This media release has been distributed to citizens for FOIA notification.
