Cattail Creek Stabilization Project Lane Closure

Hopewell, Virginia – Cattail Creek Stabilization Project Lane Closure

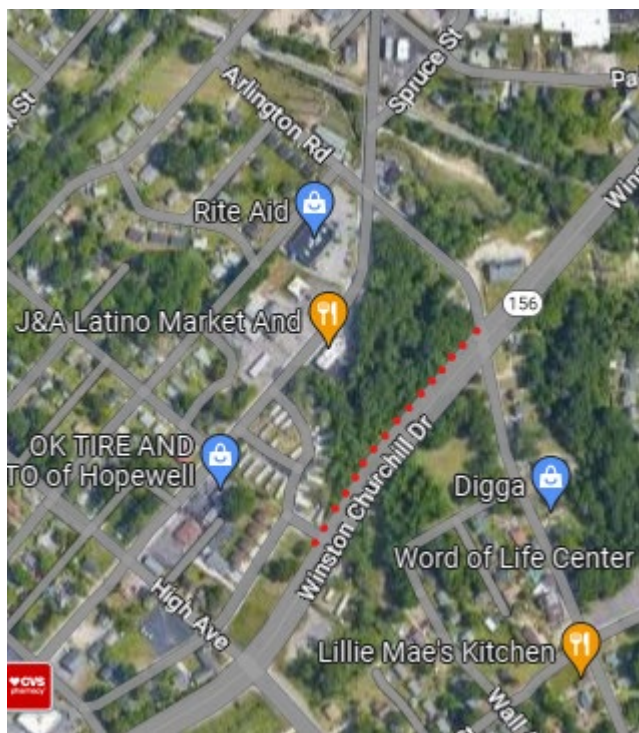

Starting March 16, 2023 expect delays on Winston Churchill Dr. between Arlington Rd. and High Ave., from 9:00am – 6:00pm.

The right southbound lane will be closed sporadically during various phases of the construction.

The lane closure will be per VDOT Specifications.

More information will follow as the project progresses.

If you would like additional information about the Cattail Creek Stabilization Project Lane Closure, please contact Maurice Wilkins, Interim-City Engineer at (804) 541-2374.

Note: This media release has been distributed to citizens for FOIA notification.
