Traffic Alert

Paving on Route 10

Hopewell, Virginia ----- Paving on Route 10

Starting on May 24, 2023 Dinwiddie Paving Co. will be performing curb, sidewalk and paving activities along Route 10. The work will take place over the next couple of weeks. The work will repair areas that were impacted by the gas main installation performed by Columbia Gas.

Expect delays during the day and night on various days as this construction takes place.

All traffic control measures will adhere to VDOT Standards and Specifications.

Any questions or concerns may be directed to Maurice Wilkins, City Engineer (804)-541-2374 or Tim Bell, Construction Inspector (804)-541-2231.

Note: This media release has been distributed to citizens for FOIA notification.
